REQUEST FOR SUPERSEDED CERTIFICATE OF CORRECTION

Certificate of Corrections Branch
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

On August 2, 2006, a Request for Certificate of Correction of Patent was submitted to correct certain typographical errors in the above-identified patent. A Certificate of Correction was issued in response to that Request on November 21, 2006.

On December 5, 2006, a second Request for Certificate of Correction of Patent was submitted to correct the listing of references cited to include several references which were considered by the Examiner but omitted from the face of the patent. A Certificate of Correction was issued in response to that Request on March 20, 2007. When the March 20, 2007 Certificate of Correction was reviewed, however, it failed to contain page two of the Certificate of Correction form submitted with the Request which listed a foreign reference (WO 96/36279) which should have been included in the "References Cited" portion of the patent.

Pursuant to instructions received via a telephone call with the Corrections Branch, applicant hereby submits a copy of the Certificate of Correction issued on March 20, 2007, with corrections noted in red ink, to identify the omitted information.

Applicant requests that a Superseded Certificate of Correction be issued for this patent to include the foreign reference, as indicated above.

It is believed that no fee is due in connection with this request. However, if any fees are due, please charge our Deposit Account No. 06-2425.

Respectfully submitted,

FULWIDER PATTON LLP
